

Volunteer Birds of Prey Assistant

About Full Flight

Full Flight is a conservation organisation. Our focus is the preservation of native Australian wildlife, with emphasis on Raptors and their natural environment. We believe education is fundamental in understanding the importance of native animal protection.

Our native Australian animals are under consistent threat from introduced species, such as cats, as well as human interruption. It is Full Flights' ongoing ambition to spread awareness of the threats that our Australian raptors face.

Full Flight has a large range of native Australian raptors which we house, train and breed all at our centre, located 10 minutes out of Ballarat. **Learn more**

About the opportunity

This is an exciting opportunity for the right person to come and join our team at Full Flight birds of prey conservation centre, in Miners Rest.

This is a 12 month minimum training commitment. Training will include raptor handling and flying, food preparation, bird feeding, general bird management, cleaning and hygiene care as well as general maintenance of facilities. To complete training, a range of skills must be gained and proven sufficiently. Successful completion will result in the outcome of certificate of completion and the possibility of employment with Full Flight.

About you

You will be enthusiastic, hard working and committed. While experience with raptors and/or other wildlife would be an advantage, it is not necessary for this position. The successful applicant will need to have a strong work ethic, with high levels of motivation.

In addition to this, the chosen applicant will:

- Have a strong commitment to a weekly minimum engagement of 2 days
- Have a keen passion for raptors and a dedication to their conservation
- Have, or be able to obtain, a Working with Children's Check and current police check
- Must have drivers' licence
- Show initiative in daily duties, be able to work under strict instruction and conversely, be independent in work

It is important to note that this volunteering role does not require previous experience with raptors. The most important attribute the successful applicant will have is passion for raptors, conservation and have keen interest in the art of falconry.

How to apply

If this sounds like you, apply today by emailing Imogencoles544@gmail.com

- Cover Letter (1 page outlining your suitability according to the position description)
- Current Resume (no more than 3 pages)
